PATNA NEWS

Bihar launches virtual learning for classes 9 to 12 on Doordarshan from May 10

A Bihar Education Project Council official said the objective was to cover the syllabus of April and May through virtual classes.

Bihar Education Project Council (BEPC) is starting virtual learning for students in classes 9 to 12 through Doordarshan (DD) from Monday to make up for the disruption in studies, caused by the closure of educational institutes in the state amid a raging Covid-19 pandemic. The programme is getting technical support from UNICEF, Bihar.

Officials of BEPC said that they will re-telecast 'Mera Doordarshan-Mera Vidyalaya' programme to engage students in academic activities through fun learning.

"Headmasters, teachers and guardians are requested to ensure the students of concerned classes watch the programme and avail the benefit," Sanjay Singh, director of BEPC appealed.

Virtual classes for students of class 9 and 10 will be telecast from 10 am to 11 am while students of class 11 and 12 will be taught between 11 am to 12 pm on a daily basis. As per the council, around 40 lakh students are enrolled in classes 9 to 12 across the state.

Another BEPC official said the objective was to cover the syllabus of April and May. "Subject wise and chapter wise video classes have been prepared. We are looking forward to expanding the time slot and including virtual programmes for junior classes as well in the coming days," the official said.
