**Brief Description:-****ASHA (Accredited Social Health Activist) Programme**

Since inception of NRHM in 2005, ASHA (known as ASHA Sahyogin) has played an important and critical role in implementation of health activities under NRHM. ASHA (National Health Mission) has emerged as the largest community health worker programme in the world and is considered a critical key component of the national health mission (nHM).

ASHA is a community level worker whose role is to function as a health care facilitator, a service provider and to generate awareness on health issues. Besides delivering key planning, she also renders important services under National Disease Control Programme.

**ASHA's Work Profile:**

- Ensuring 4 antenatal checkups, institutional delivery and post natal checkups.
- Identifying the risk and referring the mother & child to the health institution.
- Promoting attendance of children at anganwadi on village health and nutrition day for immunization.
- Holding monthly meetings of Village Health and Sanitation Committee.
- Counselling couples for family planning and distributing contraceptives to eligible couples.
- Counselling mothers to immunization of child at every household.
- Interface between community and health services to control diseases such as Malaria, Tuberculosis, Blindness etc.

Current scenario - A woman hired by Women & Child Department but works for Medical & health also, she gets fixed Rs. 1600 from WCD and M&H pays incentives. Current the State. They are given a small village or a cluster of houses for ensuring better awareness about health, RCH activities and family welfare services in the village.

Why ASHA Soft - To ensure timely and transparent online payment to ASHAs; To improve the system for effective monitoring their performance on 26 parameters.

Main activities - Verification of ASHA Claim Form; Online data entry of ASHA Claim Form and its verification on ASHA Soft; Release of sanction or fund transfer order; Release ASHA for information of online payment.

Strengths - No capital investment in any manner and at any level (Existing PC is used); Existing Information Assistants/ Computer operators used –No new HR hired; Existing banker can be made partner; Utility of PCTS/MCTS, which in turn strengthens entry regime; No need to compile information manually; Informed decisions are encouraged.
