PARTNERSHIP WITH THE LIVELIHOOD SCHOOL, KOLKATA

Women Development Corporation sanctioned the livelihood project to be executed in the Sadikpurpanchayat to impact the livelihood of 200 households to *JagratiNari Shakti MahilaSwawalambiSahakariSamiti Ltd* along with accompaniment support with the objective of

✔ **Creating a cadre of local resource personnel which would be available to the federation for providing livelihood promoting services and**

✔ **To capacitate the board to frame governance protocol for livelihood promotion services**

The project has formed activity groups and water users groups, and facilitated the process of framing bye laws. The project has installed a community irrigation system. The project designed governance protocol for procurement and supply of input materials for paddy, wheat and vegetable cultivation. The project has facilitated board and project team in enterprise development in packaged flour, upgrading skills in wheat, paddy and vegetable cultivation. The most significant success related to micro -enterprise development was on wheat processing and marketing package flour. The venture was initiated with a working capital grant of ` 11500/- and has after refunding the grant in its community fund has accrued a benefit worth ` 3800/-.

PARTNERSHIP WITH DFID-SWASTH ON MALNUTRITION

The project aim of bringing significant improvement in health and nutrition status of people in which federation will provide logistic support in the implementation of the whole process of community empowerment by identifying facilitator to conduct community level activities ,capacity building and handholding support, regular review and monitoring. The proposed project will be implemented by **JagratiNari Shakti MahilaSwawalambiSahakariSamiti Ltd in Maner block of Patna district**. The project intends to focus on reducing malnutrition in the proposed 4 Panchayat of Maner block due to various reasons

- ✔ **80% SHGs is of BPL community**
- ✔ **Lack of resources (Land and financial)**
- ✔ **Poor access to health and nutritional care services**
- ✔ **Lack of knowledge and skills on nutritional food habits**

The Project mainly focuses on 87 SHGs/ member and their families of four panchayats. The project aims to ensure targeted SHGs /member increased access to nutrition, enhance their awareness and capacity to reduce malnutrition.

PARTNERSHIP WITH PACKARD FOUNDATION

In the process of developing capacities of WDC Programme Officers, a partnership effort is being done with Institute of International Education (IIE) for the Leadership Development for Mobilizing Reproductive Health Program (LDM). The program is making effort to realize its vision through a critical mass of diverse leaders, working individually and collectively, has affected systemic changes that improve reproductive health options and overall quality of life, especially for vulnerable populations. In this regard, continuing the work on women's leadership, LDM in collaboration with Women Development Corporation (WDC) has developed a cadre of master trainers on leadership with WDC Programme Officials, who have roll out leadership training for women SHG leaders at the community level. Through an intense 15-day TOT module, 25 master trainers (including Leadership Fellows) in Bihar have reached out to about 1000 women leaders over the 11 months time period.
